

## Behavior Agreement

### Between Youth Camp Participant and Ferry Beach Park Association

\_\_\_\_\_ In the spirit of being a responsible and considerate guest of Ferry Beach, I will respect and agree to the following: I will treat the buildings, furniture and all Ferry Beach property with respect and care. I will clean up after myself using trash and recycling receptacles and leave all Ferry Beach spaces cleaner than I found them. I will be especially helpful keeping the spaces clean we use for our youth camp programs, meetings, and get togethers. I will also make sure that I leave my room at the end of the week clean and ready for the next campers. I will be careful to take only what I will eat at meal and snack times and clean up after. I will help the dunes grow by not walking on them and not climb the trees at Ferry Beach. I will encourage and promote good stewardship in others.

\_\_\_\_\_ In the spirit of health and safety (even if my parents allow me to do so at home), I understand that Youth Camp at Ferry Beach is drug and alcohol free. I understand that tobacco, alcohol and marijuana are prohibited and will not bring or partake of them. I understand that illegal drugs and drug paraphernalia are prohibited and will not bring or partake of them. I understand that any prescription medication(s) are for the prescribed individuals' use only and will not share them.

\_\_\_\_\_ Continuing the spirit of health and safety, I agree to abide by Ferry Beach Park Association's regulations that prohibit weapons, fireworks, bicycles, skateboards, candles or other objects using fire, and pets. I agree to respect the camp safety rules of signing in at the beach, using a buddy system when playing or wading in the water, not going past where the water reaches my waist when standing, and only going in water when there is a lifeguard. I agree to not leave the Ferry Beach designated "youth camp space" by foot or by vehicle without the Coordinator's permission. I understand Ferry Beach is located within a neighborhood and will be very careful when crossing streets and respectful to others. I will keep my body clean and healthy by practicing good personal care and making good food choices.

\_\_\_\_\_ In the spirit of covenantal community, I agree to abide by the rules decided upon by my youth camp. I will use my time at camp as an opportunity to unplug and connect with others. I will either not bring technology (such as a cell phone) or will only use it as approved by my Coordinator. I also understand that I need to be extra careful with my stuff as Ferry Beach is not responsible for lost cell phones and other items I bring from home. I further understand that I am in a conference community with youth of younger ages and mixed preferences and I agree that I will limit my words and actions to respectful, "rated G" behavior in all communal spaces. I will respect others' privacy by not entering anyone's dorm room but my own without permission from staff.

\_\_\_\_\_ In the spirit of covenantal community, I agree to be a respectful and considerate camper. I understand that camp is about inclusivity and the group experience; and will respect all campers, counselors, and staff by not exhibiting sexualized or other exclusive behaviors. I will be accepting and affirming of diversity and will not use humor or other words that are racist, sexist, homophobic, transphobic, or disrespectful to any person. I will be welcoming, respectful and inclusive to everyone I meet at Ferry Beach.

I understand that failure to honor this commitment may result in dismissal from the camp. I have discussed this Behavior Agreement with a parent/guardian. It is understood that if my refusal to honor this agreement results in dismissal from camp: refunds will not be made and I must be picked up immediately.
