Thank you for making Ferry Beach part of your summer plans this year! We loved having you with us this week. We hope that you enjoyed the content of your conference and the special sacred grounds that Ferry Beach is. It was wonderful to be able to reconnect with the Circles of Music & In The Company of Women communities this year.

We want to give special thank you's to your workshop leaders and coordinators for all of the hard work they put in to make this a special week. Conference leadership did an amazing job this summer and we are so grateful to them for everything.

We are so glad you visited us this week to share your spirit with the sea. We appreciate each and every one of you. We hope we will see you again this summer, but if not we are excited to see you again next year! In the meantime, please keep in touch with us on social media and make sure you are subscribed to our emails at fbch.me/email.
