

Communications and Marketing

Small operation with a large agenda! Join a bustling marketing and communications department in a variety of areas: Photography, copy writing, sending press releases, connecting to local papers as well as posting on social media. We have a great graphics staff who can teach a little about Adobe products. Also looking for video artists interested in putting together still or shooting video through out the summer. You can help write your own job description for the summer and work between 20 and 40 hours. This is a paid internship program.

Arts Programming

Looking for a great teacher/facilitator to staff the art room this summer - 5 days per week. Teach crafts and art projects to youth ages 3-93. Oversee and support artists who come to Ferry Beach to add to their portfolio. Join a great team working all summer starting mid June. We have a full functioning art room. Those entering in the teaching or art therapy fields this position is for you! This is a paid internship program.

Ecological Programming

There is so much to learn about the sea, the sand and mud flats around Ferry Beach as well as the forests and streams all within walking distance of our beautiful campus. Work with young and old alike to share information and activities, create small programming activities that explore tide pools, test water samples, point out our edible landscape, etc. Many options and activities and scheduling varies. This is a 15-30 hour internship per week and is a paid position.
