

# FERRY BEACH RETREAT & CONFERENCE CENTER

# TIDINGS

SUMMER 2019 - NUMBER 12

# Family & Friends

Welcome to Ferry Beach, oldcomers and newcomers! We are thrilled you are joining us at our beloved Family & Friends conference. We hope you enjoy this week and the sacred space you create at Ferry Beach during your visit. If there is anything you need from us throughout your stay, please reach out to any one of our staff and they will be happy to help you.

Reconnect with old friends, introduce yourself to new faces, and continue to build this special community Ferry Beach has been for past, present, and future generations.

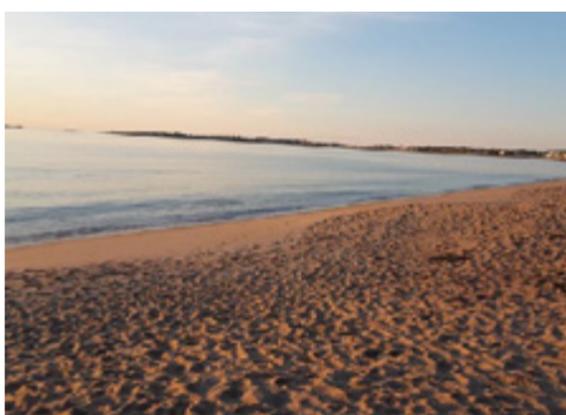

Enriching programs, hot coffee, fabulous meals, the salty sea air in the morning, the glorious shade of the pines and much, much more await you. Join us as we celebrate the theme of **HOPE** all summer long!

Cathy Stackpole  
Executive Director

What does **hope** mean to you? Is it a value that builds community dedicated to ensuring a better world? Is it a virtue we encompass to create a brighter future for ourselves and those surrounding us? Or is it simply a reminder that we will overcome the challenges we are faced with? Throughout the week, we encourage you to reflect on hope, our theme for 2019, and think of ways in which you can awaken hearts to an imagined future.
