Welcome to Work Week at Ferry Beach! We are grateful you are participating in this annual tradition and helping us open up our campus for the summer season. Thank you for volunteering your time and talent to support us this year. If there is anything you need throughout your stay, please reach out to any one of our staff and we will be happy to help you.

This summer our theme is resilience. Over these last few years, we as humans have been in “boot camp” in the school of life around resilience. We chose the theme so that we could acknowledge collectively what we have learned as well as walk away from summer conferences with ideas for continuing to cultivate our resilience as individuals, as communities and as an organization.

We hope that in addition to the sense of pride you will feel by helping Ferry Beach open for our 121st season, you will enjoy fabulous meals, the salty sea air in the morning, the glorious shade of the pines and glorious beach time in the afternoons during your visit.

Psychologists define resilience as the process of adapting well in the face of adversity, trauma, tragedy, threats, or significant sources of stress. Developmentally, we “grow” resilience through life experiences, with the hopes that as we age, we become more resilient. We chose the theme of “resilience” this summer so that we could acknowledge collectively what we have learned through these challenging times and continue to grow and learn from them. We hope you will join us this summer for wonderful conferences, workshops, and activities as well as interfaith services around resilience!

Ferry Beach is a 501(c)3 non profit organization. We are governed by a board of directors and operated by a dedicated group of year-round staff. Each summer our staff is supported by our outstanding crew members. If you see one of our staff or crew doing something amazing and want to give them a shout out, fill out a Kudos form on our App to give them the recognition they deserve! fbch.me/people
