It's amazing how quickly a week at Ferry Beach goes by in the summertime. We hope you had an amazing singing, doing yoga, art in addition to engaging in outdoor activities and of course taking advantage of some quality beach time. We hope that you also created new and strengthened old friendships. Above all, we hope you leave with many amazing memories of these these days at Ferry Beach!

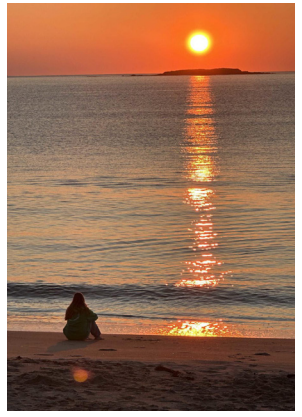

We're so glad we were able to have you at Ferry Beach once again and for the more normal experience, than in previous years. We hope we will see you again sometime this summer, but if not we are excited to see you next year! In the meantime, please make sure you are following us on social media for photos from the week, updates and cool things happening at Ferry Beach!
