By directive in writing, the Clerk of Ferry Beach may deputize the Secretary to perform the duties of a recorder of the minutes of the annual or special meetings and meetings of the Board of Directors.

Section 6 – Board Meetings

Between annual meetings of Ferry Beach, the Board of Directors will meet no fewer than four (4) times. All meetings of the Board of Directors are open meetings, except where a majority of the Board members in attendance determine that, due to the nature of the subject matter to be discussed, an executive session would be in the best interest of Ferry Beach. Such a vacancy occurring in the office of President will be filled, until the next annual meeting, by succession by the Vice President. A vacancy in the office of Vice President will be filled, until the next annual meeting, by election by said Board from among the members thereof. Nothing in this section will limit the eligibility of any such officer or director, so elected to fill a vacancy or so succeeding to the office of President, to be elected for an additional two (2) consecutive terms.

The Secretary will have oversight of all papers, books and documents of transient or permanent value.

Section 5 – Responsibilities of the Executive Director

The Executive Director of Ferry Beach is hired by the Board. The Executive Director has responsibility for the day to day operations of Ferry Beach, including carrying out goals and policies of Ferry Beach. For the Annual Meeting, the Clerk will prepare a ballot of the names of said nominees for election at the Annual Meeting. Only nominees appearing on such ballot will be eligible for election at the Annual Meeting. Nothing stated in this or any other bylaw will be construed to permit nominations by members in attendance at an Annual Meeting of any person not appearing on such ballot for the stated office.

Section 8 – Standing Committees

The standing committees of the Board of Directors will be a Nominating Committee (as set forth in Article IV, Section 9 of these Bylaws) and a Stewardship/Development Committee. Each committee will be chaired by a member of Ferry Beach. The Chairperson of each

committee will call meetings of the committee and preside at them. Each standing committee will have a recorder and reports will be submitted to the Board of Directors. The President will also appoint a liaison from the Board of Directors who will report to the Board of Directors at its meeting as requested.

Non-standing committees may be created as deemed necessary by the Board of Directors, to operate under the same standards as Standing Committees.

ARTICLE VI: KEEPING OF ACCOUNTS

Section 1 – Annual Financial Reports and Audits

The Treasurer, in conjunction with the Executive Director and Finance Director, will engage the services of a professional independent accountant to complete an annual financial audit report to Ferry Beach, to complete all necessary State and Federal Tax Reports (Form 990, etc.) and any other necessary and required financial reports deemed to be necessary by the Board of Directors. The Financial Audit should be submitted to the Treasurer by the accountant prior to May 1st of any calendar year. The accountant/auditor is to provide the Treasurer and Board of Directors a written management letter based on the results of the Audit at least once annually. An exit interview with the accountant and the Treasurer should be conducted annually.

ARTICLE VII: RESTRICTED FUNDS

Section 1 – Invested Funds

The Invested Funds of Ferry Beach will be in the custody of the Board of Directors to be invested by them in a prudent and lawful manner based on the advice of the Treasurer. At the Ferry Beach annual meeting, the professional accountant's report will include a schedule showing the securities held, their book value, and their market value at the beginning of the current calendar year. The Board, by majority vote, may use Invested Funds to pay for any legitimate activity.

Section 2 – Endowment Fund

The Endowment Fund (hereafter called The Fund) of Ferry Beach will be in the custody of the Board. The purpose of The Fund is to provide a source of income, into perpetuity, to support the operations of Ferry Beach.

Investments in The Fund may come from two (2) sources. First, individuals and other entities may make contributions to Ferry Beach that are designated for The Fund. Second, from time to time, the Board may take funds of Ferry Beach and transfer them to The Fund. All funds invested in The Fund will be clearly designated as such and segregated from other funds of Ferry Beach. The Fund may consist of several subsidiary funds established by the Board. A subsidiary fund may be created to produce an income source to support specific activities of Ferry Beach and/or to honor a specific individual.

Since the purpose of The Fund is to provide an income stream to support the operations of Ferry Beach, the Board in its administration of The Fund will be bound by the following rules:

- (1) The Funds will be invested in a prudent manner, based upon a written Statement of Investment Policy, proposed by the Treasurer and approved by the Board. The Board may change the Investment Policy from time to time. The Statement of Investment Policy will be given to any member of Ferry Beach on request.
- (2) The professional accountant will produce a schedule showing the securities held in The Fund, their book value, and their market value at the beginning of each calendar year. The Board, during a calendar year, may transfer up to five (5) percent of the market value of The Fund at the beginning of the year to Ferry Beach's Invested Funds.
- (3) Since the purpose of The Fund is to provide an income stream to Ferry Beach in perpetuity, the principal of The Fund (except as noted in #2 above) will not, under normal circumstances, be spent by the Board. To spend money from The Fund greater than that mentioned in #2 above, the Board must adhere to the following rules:
 - a) The Board must declare by a three-quarters majority that Ferry Beach faces an extraordinary situation requiring the expenditure of a specific amount of The Fund principal.
 - b) At the next Annual Meeting of the membership of Ferry Beach, the President of the Board will report the nature of the extraordinary situation faced by Ferry Beach and the amount of the principle of The Fund needed to address this situation. A three-quarters (3/4) majority vote of the Voting Members of Ferry Beach present at a duly called meeting of the membership is required to spend the stated amount of The Fund principal for the stated extraordinary situation.

ARTICLE VIII: MEETINGS

A Special Meeting may be held at any convenient time and place, provided that notice thereof has been issued to all Voting Members thirty (30) days before the time of the meeting pursuant to notice procedures approved by the Board of Directors.

ARTICLE IX: QUORUM

Section 1

The presence of Voting Members totaling five (5) percent of the number of Annual Members in good standing as of December 31st of the prior year will constitute a quorum for the transaction of business at any Annual or Special Meeting. The Board of Directors may authorize procedures for in absentia participation in an Annual Meeting for purposes of the Quorum requirement.

Section 2

In the case of a Special Meeting called by petition, at least five (5) percent of the petitioners will be present. In absentia participation will not be authorized.

ARTICLE X: DISSOLUTION

In the case of the dissolution of The Ferry Beach Park Association, all of the property of Ferry Beach, whether real or personal property, funds and assets, will be transferred to an appropriate nonprofit entity as determined by the Board of Directors in office at the time of dissolution on the condition that said property will be used for the purposes stated in Article II of these Bylaws.

This dissolution provision shall apply to all property donated to Ferry Beach, whether by will or in some other manner, unless the donor has expressly provided otherwise at the time of the donation.
