This Year's Theme is...

For many, these years of political turmoil and the pandemic have brought fear and a kind of quietening into slumber. Like a child who falls asleep at a concert, the drumbeat of change and chaos shuts down our senses and we find ourselves isolating to find respite. But the world calls to us to awaken from the dream and recognize that now, more than ever in our lifetimes, our world needs universal love.

Ferry Beach is a 501(c)3 non profit organization. We are governed by a board of directors and operated by a dedicated group of year-round staff. Each summer our staff is supported by our outstanding crew members. If you see one of our staff or crew doing something amazing and want to give them a shout out, fill out a Kudos form on our App to give them the recognition they deserve! fbch.me/people
