Thank you, thank you, thank you! We greatly appreciate all you have done to help get us ready for our 2023 summer season! The Ferry Beach Campus looks amazing thanks to your hard work!

Well over 20 volunteers helped out through the week, painting, gardening, landscaping, quilting, and performing various office tasks! Ferry Beach is once again sparkling and feeling alive!

Your efforts this week will be noticed all year long and beyond. We are so excited for a more normal summer season and hope to see each of you again soon! Check out our schedule at [www.ferrybeach.org/schedule](https://www.ferrybeach.org/schedule) and sign up for another conference or retreat this summer!
